

LSOPS 3 (Sept 30/Oct 1, 2011) -- Susquehanna Area Hotels and Restaurants

To get a centralized location, all of the following hotels are just off of I-83 between the PA-581 intersection in Harrisburg and the US-30 intersection in York. Restaurants are in that location, and also along US 11/15 between PA-581 intersection and Erford Road to the east (in the area of Steven Mallery's).

Hotels:

We have arranged for a special room rate at the Best Western Inn & Suites located at 702 Limekiln Road, New Cumberland, PA. This is off of the Limekiln Road exit #40A of I-83 (one exit NORTH of the PA Turnpike). The room rate is \$70 per night (doubles). To get this rate, you MUST call the local hotel, not use the internet or 1-800 number. Ask for the "NMRA Division 11" group. The hotel's phone is (717) 774-4440. There is no obligation to use this hotel, but you will likely find it to be the best available rate at a good hotel in the area. These rooms will only be held at this price until 8/30/11. Note: for those of you who have been here before, this is recently built hotel on the other side of the interstate at the same exit as the one we used before.

Other possible hotels in area include the following (listed by I-83 exit). There are no group rates at these hotels. Phone numbers are included for your convenience.
